

Curriculum Vitae
Walter E. Beebe, M.D.

EDUCATION

Undergraduate:

1973 - 1977
Bloomington, Indiana
Degree: B. A. Biological Sciences
Dean's List
Phi Beta Kappa
Sigma Chi Fraternity

Medical:

1977-1981
Indianapolis, Indiana
Doctor of Medicine (Conferred)

Post Graduate Training:

1981 - 1982
St. Vincent Hospital and Health Care Center
2001 86th Street
Indianapolis, Indiana 46208 Flexible Internship (PGY-I)

1982 - 1985
Texas Tech University Health
Department of Ophthalmology
Lubbock, Texas 79430
Ophthalmology Residency (PGY II-IV)

1985 - 1986
Chief Resident

1985 - 1986
Cornea and External Disease
Fellowship (PGY V)
Pacific Presbyterian Medical Center
San Francisco, California
Preceptors:

Robert G. Webster, Jr., M.D.
Richard L. Abbott, M.D.

Practice Experience:

Cornea Associates of Texas: 1986 - Present

Certification / License:

1981 Indiana #31129(current)

1982 Texas #G2316(current)

1985 California #C41895

Courses:

1982 Stanford Basic Science Course

1984 Armed Forces Institute of Pathology

1998 C-LASIK Lamellar Refractive Surgery

Professional Society:

American Medical Association

Fellow American Academy of Ophthalmology (AAO)

Texas Ophthalmologic Association (TAO)

Texas Medical Association (TMA)

Dallas County Medical Society

Tarrant County Ophthalmologic Society

Dallas Academy of Ophthalmology

International Society of Refractive Surgery (ISRK)

Refractive Surgery Interest Group (RSIG)

Specialty Board Certification:

American Board of Ophthalmology - 1986

Academic Appointments:

Associate Clinical Professor

Department of Ophthalmology

Southwestern Medical School

The University of Texas Medical

Center at Dallas

Dallas, Texas

Associate Clinical Professor

Department of Ophthalmology

Texas Tech School of Medicine

Lubbock, Texas

Offices Held:

Dallas Academy of Ophthalmology
President 1996-1997

Course Director: Presbyterial Hospital of Dallas
Spring Symposium, 1998- present

Section Chief, Department of Ophthalmology
Medical City Hospital of Dallas, 1999

- Hong, BS, Beebe, WE: The Effect of Endotoxin Injection and Wounding of the Corneal Epithelium on the Plasminogen Activator Activity in Rabbit Tears. In Holly, FJ (editor): *The Preocular Tear Film*, 1986, Dry Eye Institute, Lubbock, Texas.
- Bowman, CB, Beebe, WE, Gelender H: "Photorefractive Keratectomy for Myopia: Current

Status". in Abbott, RL and Hwang, DG (editors) Ophthalmology Clinics of North America, W.B. Saunders Company, 1997.

Presentations:

Texas Tech Department of Ophthalmology Annual Meeting

1988 "Use of the Temporary Keratoprosthesis for combined Penetrating Keratoplasty and Retinal Surgery"

1987 "Management of Corneal Perforations"

1986 "Multiple Myeloma: An Atypical Case Report"

1985 "The Significance of the Cilioretinal Artery in Open Angle Glaucoma"

1984 "How to Manage a Melting Cornea"

November 1986

Castrovejo Society Meeting

New Orleans, LA

"A case presentation: A typical presentation of a Patient with Multiple Myeloma"

October 24, 1987

University of Houston School of Optometry: Continuing
Optometric Education - Tyler, Texas

"Infective Keratitis"

"Review of Refractive Surgery"

"Indications and Techniques of Keratoplasty Surgery"

September 1987

Texas Ophthalmology Association (TOA) Conference

Dallas, Texas

"Management of Astigmatism after Cataract and Corneal Transplant Surgery"

January 14, 1988

Alcon Laboratories - Palm Desert, California

"Diagnosis and Management of the Dry Eye"

September 1988

Symposium on Corneal Astigmatism

Dallas, Texas

"Diagnosis and Management of Irregular Astigmatism"

February 24, 1988

UH-School of Optometry

Mann Eye Institute, Houston, Texas

Infectious Disease Seminar

June 28, 1989

UH-School of Optometry

Turner Eye Clinic, Odessa, Texas
"Management of Corneal Ulcers"

March 25, 1992
Minnesota Optometric Association - Breezy Point, Minnesota
MOA Fall Meeting - Course Complete - 6 hours

March 11, 1993
University of Houston College of Optometry: DeHaven Eye Clinic-Tyler, Texas
Overview of Anterior Segment - Course Complete - 4 hours

October 1994
American Academy of Ophthalmology Annual Meeting
Poster Presentation
"Refractive Change Following Surgical Keratectomy for Treatment of Superficial Corneal Disorders"

September 24, 1995
UH-School of Optometry
Dehaven Eye Institute, Tyler Texas
"Anterior Segment Update"

October 12, 1995
Scott and White Hospital, Temple, Texas Viers Symposium
"Combining Penetrating Keratoplasty with other Intraocular Surgery"

May 18, 1996
University of Houston School of Optometry
Update for Optometrists -- Dallas Hyatt Regency
"Corneal Topography"

June 8, 1996
American Society of Ophthalmic Registered Nurses (ASORN)
"Corneal Transplant Surgery Now and Then"

June 27, 1996
UH-School of Optometry, CE in the Rockies
Estes Park Colorado
"The Corneal Examination, Corneal Degenerations, Pharmacology Update, Corneal Trauma"

September 21, 1996
UH-Houston School of Optometry, Dallas, Texas
PRK Didactic Course
Post-operative Management (PRK)

February 28, 1997

Viers Symposium -- Scott and White Department of Ophthalmology, Temple Texas
"PRK versus LASIK for Treatment of Low-Moderate Myopia"

March 14, 1997

Presbyterian Spring Symposium, Dallas, Texas
"The Ocular Surface: The Basics"

May 15, 1997

Lasersite, Dallas, Texas
Comanaging Laser Vision Correction Care
"Post-operative Management of PRK Patients"

October 1997

American Academy of Ophthalmology (AAO)
Annual Meeting, San Francisco, CA
Instructional Course
"Combining Corneal Transplant Surgery with other Intraocular Surgery in the Management of Combined Disease"

January , 1998

UH-School of Optometry, Sante Fe, NM.
Anterior Segment Symposium

March 1998

Presbyterian Spring Symposium
Combined Penetrating Keratoplasty and Vitreoretinal Surgery in the Management of Complex Trauma Cases."
