Dear Patient:

In an effort to manage our appointment schedule and respond to all appointment request, we will be implementing our No-Show and Late Cancellation policy effective immediately. The purpose of this policy is to efficiently manage our office staff and allow us to open appointment times for patients waiting to be seen.

This policy requires you to inform us as early as possible if you will not be able to keep your appointment. The minimum expected notification of cancellation is 24 hours prior to the time of your appointment. While we are hesitant to implement penalties for non-compliance to this policy, we realize that every rule must have some enforcement provision in order to be effective. The policy implements a level of enforcement while also realizing that unexpected developments occur in all of our lives. It is our hope and desire to never have to use this policy since the majority of our patients provide us this courtesy. Unfortunately, as we try to accommodate all of our patient's needs, we have had an increasing number of no-shows which has resulted in implementing this policy.

No-Show and Late Cancellation Policy

- 24 hour notification given prior to any cancellation of an appointment.
- First offense is excused.
- Second and all subsequent offenses may result in a \$35 no-show fee.

We understand that emergencies and unexpected events do occur and have taken this into consideration. We appreciate your cooperation and future courtesy in notifying the office of cancellations. Please provide your signature below indicating that you have received and understand our No-Show and Late Cancellation policy. Thank you.
