maximum efficacy, *predictable results*, *minimum irritation*

ULTRA-PURE CRYSTALLINE **GLYCOLIC ACID**

Helps to achieve **a smoother texture** and **brighter, more evenly toned skin**

LIPOSOME ENCAPSULATED **VITAMINS A-C-E, GREEN TEA, Co-Q10**

Nourish the skin while providing **antioxidant protection** from free-radical damage

FREE ACID VALUE

The free acid value is the exact percentage of acid that a formula contains for use on your skin. For example: a 10% cream is equivalent to 10% (unbuffered) glycolic acid.
