

POST-OPERATIVE FACE KIT

We highly recommend the following products for use post-operatively to camouflage any bruising, to assist in elimination of swelling and speed recovery. Additionally, facial sun protection is imperative in the days, months and years following facial surgery to prevent damage to the skin from sun overexposure. Dr. Devlin will advise as to when you may begin using these products.

1.) Arnika Forte	(pre and post op)	\$30.00	(For Bruising and Swelling)
2.) Elta M.D. Sunscreen			
	U.V. Daily SPF 40	\$25.00	OR (Sunscreen)
	U.V. Clear SPF 46	\$30.00	
3.) Corrective Camouflage Kit		\$18.00	(Post-operative Camouflage)
4.) Pressed Base (Mineral Foundation)		\$44.00	(Post-operative Camouflage)
