### **McDonald At Law Wins Prestigious 2015 Litigator Award**

*McDonald At Law named 2015 Litigator Award Winner. Having been conferred this prestigious National Award, the firm ranks among the Top 1% of all lawyers for: Automobile Accidents and Truck Accidents Litigation.*

BELLEVUE, WASHINGTON: JAN. 14, 2016 McDonald At Law, a trial law firm located in Lancaster, Pennsylvania, was today awarded the prestigious 2015 Litigator Award for extraordinary achievement within the field(s) of: Automobile Accidents and Truck Accidents Litigation.

Justly standing as the nations most coveted symbol of "Litigation Achievement", this unrivaled annual honor recognizes trial lawyers {firms} who have attained extraordinary litigation achievement within one or more of 72 pre-defined "Practice Specialty" categories. Based strictly on "Verdict and/or Settlement" dollar achievement rather than peer popularity, the Litigator Awards are perhaps the most rigorous and openly judged trial law rating. Simply being nominated is to be set among the elite of the profession. Those awarded are generally considered among the finest trial lawyers in the nation.

To be Award Eligible, Nominees must prove achievement of litigation "Performance Benchmarks" that includes not less than:

- a). One verified "Verdicts or Settlements" of at-least \$1 Million Dollars in any one Practice Specialty category within the preceding 5 year period prior to Nomination\*, or
- b). One verified "Verdict or Settlement" of at-least \$5 Million Dollars in any one Practice Specialty category within the preceding 10 year period prior to Nomination\*\*, or
- c). One verified "Verdict or Settlement" of at-least \$10 Million Dollars in any one Practice Specialty category within the preceding 20 year period prior to Nomination.

It is a feat achieved by fewer than 1% of all Lawyers, and truly a testament to each Award Recipient's remarkable performance relative to peers. Of the nearly 1.1 Million lawyers considered, only a select few per State or DMA, will achieve the distinction of being awarded

annually in any given Practice Specialty\*.

Winning a 2015 Litigator Award is a “Powerful Endorsement” of superior litigation achievement that provides discerning clientele {as well as referring professionals} with a strong reason to trust their case with an Award Recipient. Moreover, it offers a testament to their remarkable performance relative to peers.
