

Welcome to our office

Dear New Patient,

Thank you for choosing Shelby Family Cosmetic & Restorative Dentistry as your new dental home. We pride ourselves on taking care of our patients like they are a part of our family. We believe that listening to our patients as they express their dental concerns, and treating their dental needs in a pain free way. Our ultimate goal is to provide you with excellent care and an overall pleasant experience.

We provide all dental services including:

- General dentistry for adults and children
- Cosmetic dentistry, veneers, bleaching, bonding
- Orthodontics, including traditional and Invisalign
- Crowns, bridges, partial and full dentures
- Gum disease treatment
- Mouth pieces, mouth guards (sports), Occlusal Bite guards
- Implant services

In order to ensure that we are able to schedule patients as soon as possible, we must ensure that all patients keep their reserved appointments. We would like the courtesy of a 48 hour notice for all reserved appointments if you are not able to make it and need to reschedule for any reason. For all missed appointments you may be charged a no show or late cancellation fee of 50.00 per ½ hour. This permits us to see all emergency patients the same day to provide prompt care.

Again, thank you for choosing us and we look forward to adding your name and smile to our dental family tree.
