## Welcome to Mills Eye + Facial Surgery !!

Dr. Mills and his staff are excited to add you to our growing family of patients. We know that you have a choice when it comes to health care and we sincerely appreciate you choosing our practice to serve your needs. \*Please look carefully at any attachments to this e-mail. They include information, privacy, consent, and other important forms. You should print them, read them, sign them, and bring them with you to your appointment. Keep in mind that some forms are general to all patients and some are specific to the reason for your appointment. Also, we may send you further e-mails with information specific to your reason for visit, so please watch for them as well. If you feel that the forms do not apply to the reason for your visit, simply return them to us when you come. \*Please also look at the instructions below to access the online portal prior to your appointment. This is a secure way to help us acquire the necessary information to expedite your visit.

We know that the relationship between a doctor and patient is a critical element to the health care experience. We understand the importance of your eyes and vision as well as your face and appearance. Therefore, Dr. Mills and his staff have spared no effort or expense in pursuing the best possible training available and the latest cutting edge technology to provide you with the very best they have to offer in eye care and facial surgery. However, even if you were referred to us by your doctor, family member, or friend, it's still natural for you to have some questions regarding the providers here at the practice and their training/specialization or about the practice in general. We would first refer you to visit our website at [www.MillsEye.com](http://www.MillsEye.com) to learn more about Dr. Mills, and the other providers and staff at Mills Eye + Facial Surgery. This will be a great resource to you as our patient now and in the future. However, we have provided here some details for your immediate review. We hope it allows you to begin your relationship with us with the confidence that you are in the expert hands of superbly trained, well-recognized, leaders and teachers.

### **David M. Mills, MD, FACS**

Dr. Mills originally obtained his undergraduate degree in Biochemistry Summa Cum Laude with Departmental Honors from Wheaton College in Norton, Massachusetts before receiving his Medical Degree from the University of Michigan Medical School. He completed a Transitional Year Internship at Oakwood Hospital in Dearborn, Michigan then headed south to complete Residency Training in Ophthalmology at the University of Florida Gainesville. Dr. Mills then went on to Albany, New York for a 2-year fellowship in OculoFacial Plastic, Reconstructive, and Cosmetic Surgery accredited by the American Society of Ophthalmic Plastic and Reconstructive Surgery (ASOPRS). As one of the few surgeons to be certified by both the American Board of Ophthalmology and the American Society of Ophthalmic Plastic and Reconstructive Surgery (ASOPRS), Dr. Mills' unique expertise distinguishes him as a premier surgeon. Dr. Mills is also one of the few (if not the only) OculoFacial Plastic Surgeons in the region to have completed 2 years of ASOPRS-Accredited fellowship training.
