*“Jerry S. D’Aniello is an outstanding divorce attorney who is extremely knowledgeable in divorce law. My divorce was going nowhere. I wish I got Jerry involved in my divorce sooner than I did. At that point, Jerry took control of my complex matrimonial situation in a very professional and compassionate manner. My divorce was one of the most difficult times in my life. Jerry, carefully explained each step as to what my options were, what he thought would be best for me, what I should do, and why. Jerry also has sophisticated financial expertise and was able to navigate through my extremely complex financial situation. Not only was Jerry instrumental in my finalizing a settlement, but he went above and beyond by introducing me to many resources who helped me in every aspect of starting my new life. I am truly blessed to have been connected to such incredible individuals who each had an important part of creating my new life. I cannot thank Jerry enough for everything he has done for me and I highly recommend him to anyone involved in a divorce.” –former client 3/2017*
