Laura Gencarelli

"Twelve months ago I hired Snyder and Sarno to represent me in my divorce proceeding against my bitter, financially savvy attorney husband. Clearly I was at a huge disadvantage and anticipated getting financially raked over the coals. Angelo Sarno was my lead attorney and Laura Gencarelli was my associate attorney. From my first meeting with Laura Gencarelli she compassionately listened to my concerns, patiently and thoroughly answered my plethora of legal questions, and outlined our best strategy to assure my interests through my divorce would be protected.

Laura kindly and truthfully outlined the divorce process and guided me on securing important personal and financial documents that would be relevant to our case. Every step of the way Laura made me feel she and Team Sarno confidently had my back. Team Sarno was not intimidated by my bully, adversarial husband. Laura's interpersonal skills are superlative and her legal knowledge supreme. Moreover, Laura has a peerless talent for writing certifications, motions or any legal document representing her clients. Laura has taken a multitude of information, supporting documents, email soliloquies and lengthy phone conversations to which she masterfully creates a concise, accurate, impactful literary masterpiece.

On a final note, one quality of Laura's distinction is her responsiveness. Laura's responsiveness has been remarkable and consistent over this past year. Whether I have reached out to Laura via email or phone, Laura gets right back to you. Laura makes you feel YOU are her only client and she is always been well prepared to discuss my case.

Laura is a superstar! Go to the best! Hire the best! Laura Gencarelli at Snyder and Sarno is THE BEST!"
