*“I was very impressed with Richard's professionalism and competence during my divorce. His legal knowledge and expertise as well as his ability to advantageously diffuse conflict and stress while getting the proper cooperation of my ex and his lawyer significantly avoided additional problems. His strategic approach was well calibrated to my temperament as well as to achieving the right outcome for me, which showed me he had good intuition and flexibility in understanding my case. His advice was right on the mark for what was necessary and beneficial to me especially at a time when I was stressing and in doubt about what to do. In addition, both he and his assistant were attentive and kind during this very difficult time in my life. They kept me well informed and addressed all my concerns with great consideration and promptness. I highly recommend him.” – former client 7/2015*
