Hon. Thomas P. Zampino (Ret.)

"Dear Judge,

I hope you remember me, you helped to mediate my case in May, 2017.

As you could probably tell the preceding months had taken quite a toll on me, I was alone and I was scared.

I have thought of you so many times in the past months... your counsel, advice, approach, patience and kindness combined with the perfect amount of authoritative command got me through my mediation day as well as the days to follow.

I have been blessed in my life to know and learn from a few great leaders – and wanted you to know how deeply you touched my life, helped me to find my strength and find some peace – I could not go on without reaching out to share what your wise leadership brought to me.

Thank you from the bottom of my heart for your kind and thoughtful guidance.

I will never forget you and am sure I speak for countless others.

Your faithful,

Client 2017"
