

DR. ALFREDO M. GAPUZ

Aesthetic and General Dentistry

“When I was growing up, I always noticed people’s smiles. I dreamed that I would be a part of the medical field one day, and that is why I find dentistry so rewarding. Whenever I finish a treatment and see my patient’s happy smile, it makes me happy.”

– Dr. Gapuz

Dr. Alfredo M. Gapuz, Jr. has been in practice for 39 years with each year adding to a wealth of experience and continued practice of excellence. In his quest to bring his patients the best in dental care, he continues to pursue post-graduate education.

He has attended numerous continuing education courses at the University of Florida with a focus on aesthetics, restoration, and endodontics. He has also completed several courses at the Las Vegas Institute for Advanced Dental studies, allowing him to perform complex restorative dentistry and neuromuscular dentistry.

In addition to furthering his education, he has also incorporated the latest dental technology, including the Fotona dental laser, which increases comfort during the procedure and promotes faster recovery.

Dr. Gapuz is a fellow of the International Congress of Oral Implantologists and a fellow of the Academy for Dental Facial Esthetics.

Dr. Gapuz’s straightforward application of fundamental dental sciences and keen insight into his patients’ needs distinguish his practice. These qualities, along with his outstanding, gentle approach, have led to his remarkable success as a general and cosmetic dentist for Orlando.

Come see why Dr. Gapuz’s office is the place “where excellence in dentistry and art meet!”
