Dear New Patient,

We would like to take this opportunity to welcome you to **Victoria Family Dentistry**.

Enclosed, you will find our new patient paperwork. Please complete both sides of paperwork and bring to our office for your first visit.

For our patients with dental insurance, few insurance companies attempt to cover all dental costs. Some pay fixed allowances for certain procedures; others pay a percentage of the charge. It is your responsibility to pay any deductible or any other balance not paid by your insurance company.

Our office will be calling to confirm your appointment the day before you are to schedule to arrive. If you have any questions please feel free to call our office.

We are looking forward to meeting you.

Welcome!
