

Orthodontics Incentive Program

Every time you come in for a **regular** orthodontic appointment, you qualify to receive Ortho Bucks. These bucks can be turned in for rewards!

At the new patient **consultation** appointment you receive 5 Ortho Bucks -- for joining our Orthodontics Family! Hooray!

You then can receive one buck for each of the following:

- 1. Presenting with excellent dental hygiene (no plaque or accumulations on the teeth and no puffy or swollen gum tissue)
** If you do not maintain good oral hygiene, you do not qualify for any other bucks at that appointment.**
- 2. Being on time for your appointment, as well as not missing or having rescheduled your appointment.**
- 3. No broken or loose attachments (bands/brackets/wires/appliances).**
- 4. Wearing your shirt to your appointment.**
- 5. Posting a picture or checking in on social media while at the office.**
- 6. Referring a friend to the office for a consultation. (5 ortho bucks)**
- 7. If mom or dad review us on google. (5 ortho bucks)**

Your dental assistant for that day will give out the ortho bucks (be sure to ask).

You can redeem the bucks immediately, or you can save them to buy a more expensive item later on.

We have everything from Visa cards to restaurant gift certificates to name a few.

We do not keep track of the bucks you have received, so it is your responsibility to save them up.

Only regularly scheduled appointments are eligible for receiving the bucks (emergency appointments are not eligible).

We hope that you enjoy this program as much as we do!!
