

DENTAL SAVINGS PLAN OPTIONS

Thompson Dental is offering a dental savings plan for our non-insured patients.

Preventive dentistry helps our overall health by preventing or managing a number of diseases including gum disease and bone loss, heart disease, premature births and low birth weight, oral cancer, diabetes, sleep apnea, tooth erosion from diet or acid reflux, osteoporosis, Alzheimer's and some immune diseases. Our team is dedicated to improving your health.

Thompson Dental has designed a plan to provide greater access to quality dental care at an affordable price. It is very easy to sign up, just ask one of our team members today! There is no membership card to carry. Your plan's effective date will be on file with our office. Your savings will amount to 15% on preventive care and 15% on restorative and major care.
