

Top 7 reasons to see an orthodontist by age seven!*

- 7 Correct problems without surgery or extractions.
(Waiting for all permanent teeth may be too late)
- 6 Prevent trouble eating, speaking or breathing caused by crooked teeth or narrow jaws.
- 5 Correct bad oral habits like cheek biting, thumb sucking or tongue thrusting.
- 4 Reduce your risk of impacted teeth.
- 3 Improve jaw alignment and facial balance.
- 2 Make space so permanent teeth aren't crowded.
- 1 Look and feel better with a perfect smile!
